Our club is a fun, family-oriented club of classic GM truck enthusiasts. We are generally located in Lincolnton Ga. 30817. Our club members restore and drive their trucks and we are passionate about helping others do the same. We meet at least once each month to 'talk trucks', cruise, attend shows and get together for charitable events throughout the year. We are a club that each year we plan to host a variety of Car, Truck, Bike and Golf Cart shows to raise money for the club and make donations to local charitable organizations and families in need.

We invite you to join us and be a part of our breakfast meeting. Our website is currently under construction. Our club was formed out of Lincolnton, Georgia with members that own Chevy / GMC Trucks with a passion in promoting the history, restoration and preservation of General Motors trucks manufactured 20 years ago and older.

Road Legends CTC was created in February of 2020 by a group of guys and girls with a common interest Chevy/GMC trucks. If you are interested in becoming a member or just looking for information, our website will be available soon. You can also register and/or become a member on our website. Registration information is held in private and membership & contact information is available to members only. Monthly dues \$10.00 due by meeting day members enjoy a wealth of knowledge on repairing, restoring and rebuilding GM trucks from the frame up. Some members know exactly where to find and/or how to restore almost anything.

Membership is cheap and the fellowship and sharing of knowledge is free for the asking.
